Q2	21-Aug-25	Yes Bank Limited	AGM	Management	To approve special rights granted to Ververta Holdings Limited.	FOR	FOR	YES Bank raised equity capital of approximately Rs. 44.4 bn from Ververta Holdings Limited, an affiliate of funds advised or managed by Advent International. Under the Investment Agreement, certain contractual rights were granted to Ververta, including the right to nominate one Non-Executive, Non-Independent Director (the Ververta Director) to the board, subject to a minimum shareholding of 5% on a fully diluted basis. We understand that non-financial institutions (non-promoters) cannot hold more 10% of the equity capital / voting rights in a banking company and also that any person who acquires 5% or more of the paid-up share capital or voting rights in a banking company is classified as a major shareholder and any such acquisition requires prior approval of the RBI. Given the strict RBI guidelines on non-promoter shareholding caps and voting rights, we make an exception in this case. Further, the board nomination rights are not being embedded into the Articles of Association and lastly since the nominee director is liable to retire by rotation, the appointment will be vetted by shareholders on a periodic basis. The board nomination and committee representation rights of SMBC will fall away upon SMBC ceasing to hold at least 10% of the bank s total paid-up share capital. Q2	21-Aug-25	Yes Bank Limited	AGM	Management	To approve special rights granted to State Bank of India and Amendment to the Articles of Association of the Bank to include certain special rights.	FOR	AGAINST	The bank seeks approval for certain special rights provided to State Bank of India in the share purchase agreement (SPA) and to amend the Articles to include certain identified SBI Special Rights. SBI invested in the bank as part of the YES Bank Reconstruction Scheme in March 2020 and currently has two Nominee Directors. As per the SPA, SBI is eligible to appoint one non-executive and non-independent director (SBI Directors) on the Board as long as SBI holds at least 5% of the share capital. While we raise concern that SBI Director is not liable to retire by rotation, we draw comfort from SEBI s new amendments, which require shareholder approval for all directors at least once in five years. Further, SBI will have the right to nominate an SBI Director on each of the committees of the Board. The board nomination and committee representation rights of SBI will fall away completely upon SBI ceasing to hold at least 5% of the Bank s total paid-up share capital. Q2	28-Aug-25	Jio Financial Services Ltd	AGM	Management	To offer, issue and allot up to 50,00,00,000 warrants (Warrants) for cash at a price of Rs. 316.50 per warrant (Warrant Issue Price), each Warrant convertible into 1 (one) fully paid-up equity share of the Company of face value of Rs. 10 each at a premium of Rs. 306.50 each aggregating up to Rs. 15825,00,00,000 to the Proposed Allottees, being members of the Promoter Group of the Company, as detailed hereunder, by way of preferential issue on a private placement basis.	FOR	FOR	Warrants are proposed to be issued to promoter group entities. The funds raised will be utilized towards infusion of funds into existing and new subsidiaries / joint ventures. The issue price of Rs. 316.5 per warrant is as per the ICDR pricing. The dilution post conversion of all warrants would be ~7.3% on the expanded capital base. In case of warrants, 25% of the conversion price is paid upfront, with an option to convert the warrants into equity shares anytime during the next 18 months. The Company has evaluated various modes of fund raising and proposed to issue warrants instead of equity, as warrants are particularly suited to the need for staggered capital deployment into subsidiaries and joint ventures. The proposed structure, with an 18-month exercise period, provides flexibility to raise funds progressively in line with the business requirements of subsidiaries and joint ventures, rather than through a single upfront issuance. This structure facilitates efficient deployment of funds and optimizing overall cash flow management. SEBI (Issue of Capital and Disclosure Requirements) Regulations, 2018 (ICDR Regulations) do not permit preferential issue of partly paid up equity shares and accordingly, issue of warrants with an 18-month exercise period becomes the only option which meets the object of raising funds in stages. Hence, we support the resolution.	N/A	No

Q2	29-Aug-25	IndusInd Bank Limited	AGM	Management	Amendment in Articles of Association of the Bank.	FOR	AGAINST	The promoters of IndusInd Bank, namely IndusInd International Holdings Limited (IIHL) and IndusInd Limited (IL), collectively hold ~117.5 mn equity shares constituting 15.08% of the bank s paid-up share capital as on 30 June 2025, which is within the 26% limit permitted under the RBI s 2023 Master Directions on Acquisition and Holding of Shares or Voting Rights in Banking Companies. Following RBI s approval, the bank proposes to amend its Articles of Association to (i) insert the definition of Promoter(s) in line with RBI s Directions, and (ii) insert a new provision granting the promoters the right to nominate up to two Non-Executive Non-Independent Directors (including the Nominee Directors) on the Board, subject to the overall cap on such directors. These amendments formalize and safeguard the promoters board representation rights despite their minority stake. There is no minimum shareholding threshold; for the promoters to have a right to two board seats. Therefore, even if the promoter shareholding gets diluted, they will continue to have two board seats. We believe board nomination rights must be linked to shareholding thresholds. Hence, we do not support these amendments.	G	No

For FY25, total promoter remuneration was Rs. 880.5 mn, ~6% of profits and ~21% of total employee benefit cost. It is unclear how the NRC has benchmarked their compensation. We raise concern that there is no clarity on whether the financial assistance being provided is in the ratio of economic or actual shareholding in BRPL. Q2	13-Sep-25	The Phoenix Mills Limited	PB	Management	Approval of the arrangement for Canada Pension Plan Investment Board (CPP Investments) to exit from the Company's material subsidiary, Island Star Mall Developers Private Limited (ISMDPL).	FOR	FOR	In FY25, ISMDPL s EBITDA was Rs. 6.17 bn. On this base, the implied capitalization rate of ~5.4% is lower than rates observed in recent commercial/retail transactions. However, we take comfort that the counterparty is a third party, and the transaction is in the arm s length. The consideration is deferred over three years and is expected to be funded at the ISMDPL platform largely through internal accruals and/or long-term borrowings (up to 15 years). Further, as per the investor presentation, of ~2.2 msqft completed office space, only 6% has been leased as of June 2025 and 90% is expected to be leased in 2026. ISMDPL also has retail, commercial and hotel projects scheduled for completion between 2027 to 2030. Hence, EBITDA should increase as these assets stabilize. We recognize that post this transaction Phoenix Mills Limited will hold 100% of ISMDPL, enabling full cash-flow consolidation and providing flexibility for future asset-level monetization within the ISMDPL platform. Hence, we support the resolution.	N/A	No

Q2	26-Sep-25	PB Fintech Ltd	AGM	Management	To approve the re-appointment of Mr. Yashish Dahiya (DIN: 00706336) as the Chairman, Executive Director and Chief Executive Officer of the Company for a further period of five (5) years, with effect from July 05, 2026 to July 04, 2031 and approval of remuneration.	FOR	FOR	Yashish Dahiya, is the co-founder, Chairperson, ED and CEO of the company. Yashish's remuneration is likely to exceed the limits under the Company s Act, 2013 due to perquisite value of stock options to be exercised by him. Based on the fair value of stock options granted to him in the past and remuneration from subsidiary company, his FY25 remuneration stood at INR1,466.8 mn. However, we note from the explanatory statement, Mr. Yashish Dahiya will not receiveany salary from the company. His compensation from stock options will only arise from the perquisite value of ESOPs upon exercise. However, the vesting of these ESOPs is subject to two stringent conditions: (i) Market Valuation Condition (ESOP 2021): Vesting is contingent on the company's average market valuationexceeding USD 5 billion during the vesting year. If this condition is not met, vesting is carried forward to future years until the average yearly market valuation is above USD 5 billion. (ii) Share Price Appreciation Condition (ESOP 2024): Vesting is subject to the company's volume-weightedaverage share price on the vesting date being 150% or higher of the price on the grant date. If this condition is not met, vesting is carried forward for a maximum of up to four years. We also note that past remuneration could be higher due to the past ESOP grants, which has already been approved by the shareholders. For future compensation we understand that Mr. Dahiya will not draw any salary from the company and given the perquisite value of ESOPs in the hands ofthe employee is treated as part of remuneration, the value can only be ascertained when the employee exercises their options, making it impossible to quantify at present. However, we draw comfort from the fact that for any future ESOP grants the company will seek prior shareholder s approval for any perquisites that may arise during their tenure. Hence given all past ESOP schemes are already approved by the shareholders and future schemes will come up for approval, we support the resolution.	N/A	No

Post listing, the Company has not granted any stock options to any of its employees, including members of the senior management. Co. has also provided fixed and variable compensation details of Mr. Gunender Kapur for FY25 and FY26 at Rs 16.5 crs and Rs 17.7 crs respectively, well under Rs 32 crs which is 5% of company s net profit in FY25 of Rs 640 cr. In view of the potential further exercise of vested stock options granted to Mr. Gunender Kapur prior to the listing, during FY 2025 26 and FY 2026 27, his remuneration is likely to exceed the 5% limit specified under Section 197 of the Companies Act, 2013. The excess remuneration arises mainly from the exercise of stock options at a very low exercise price of 10 per share, leading to a large notional perquisite value of Rs 582.21 Crore. Accordingly, approval of the shareholders is being sought under Section 197 read with Schedule V of the Companies Act, 2013, in the event of inadequate profits. Considering the remarkable growth in revenue, profits, market expansion, and successful capital market performance, the cost associated with the stock options is justified for Mr. Kapur.
